

## Leisure Concierge

Vacation at will...

### Welcome to Goa...

The land of swaying palms, white sands, sparkling waters, emerald green paddy fields and eternally clement weather. Goa's by lanes still hark back to its colonial past, evident from the exquisite architecture and the East-meets-West cuisine which combines coconut milk, palm vinegar and chilies with the refined flavors of Portugal. The strains of fado still waft occasionally in the bougainvillea-scented breeze and in the siesta-saturated joie de vivre that Goans themselves call susegad.

At Alila Diwa Goa, we present you with the perfect mix of Goa's old-world charm set off with contemporary luxury. Here relaxation reigns supreme amid a serene landscape of lush, verdant rice plantations flowing towards the Arabian Sea.

In an endeavor to make your visit with us a time of unadulterated pleasure, we invite you to explore the most wondrous aspects of Goa.

Tours & Treks...

I. Trek to Avlem, a Pre-Portuguese hilltop village  
(minimum of two ppl)

Distance: 70km (approx. 2hrs drive)  
Location: Cotigao Wildlife Sanctuary  
Grade of Trek: Moderate

This is an uphill climb involving 1.5 hours of trekking (one way) including a little bit of walking and continuous climbing.

Trekking Route

The trek kicks off with walking through an agricultural village on the periphery of the Goan forests. After being introduced to a tribal village on the way, we embark on the second part of the trek, where the incline begins and the climb starts. We cross natural streams (ankle-high), till we reach another isolated tribal village in the deep jungle right on top of the hill called Avlem Top. Over here one gets a panoramic view of the rolling Western Ghats (hills) also popularly known as the Sahyadri Range.

Attractions

During Portuguese rule, some people preferred to stay on top of Avlem Hill to avoid harassment from the foreign rulers. Though most people currently prefer to live in the modern pucca houses in the low-lying Avlem village at the foothill, artifacts from that time remain well-preserved. On the trek you get to see ancient mud houses that are architectural marvels. They are still habitable and their owners come to stay during the annual temple festival.

Tours & Treks...

## 2. Chand – Surya (ancient astronomical marvel) Trek

Distance: 60km (approx. 2hrs drive)

Location: Netravali

Grade of Trek: Moderate

Two-hours (one way) trek and a climb along the pristine forests of Goa.

### Trekking Route

The Trek takes you through dense rain-forest. There is a unique opportunity to spot wildlife such as snakes, spiders, leeches, birds, butterflies and some rather mischievous monkeys — but only if you are lucky! The trek leads towards a desolate laterite rock with an ancient astronomical sign marking it as the spot where on a certain auspicious date and time, one can simultaneously view both sunrise and moonrise. The route curves through denser surroundings leading to secret caves. This is followed by a climb towards the top of Pali waterfall where you get the chance to get wet and frolic in the natural stream.

### Attractions of this trek

Chand Surya astronomical site, Secret Caves, Natural Stream and Pali Waterfalls. 4 in 1 can be made optional as per choice and stamina of participants.

Tours & Treks...

### 3. Virgin Waterfall Trek

Distance: 70km (approx. 2hrs drive)

Location: Cotigao Wildlife Sanctuary

Grade of Trek: Moderate to Slightly Difficult

Two-hours (one way).

Trek starts with a walk from the Adem village to Nadquem village followed by a continuous steep climb that leads to an unexplored & unnamed waterfall.

#### Trekking Route

This trek involves walking and climbing from one village to another village to reach a hidden waterfall in the midst of the jungles of Cotigao Wildlife Sanctuary.

#### Attractions

A visit to a grand waterfall which is truly virgin and undisturbed except by a rustic, hand-made wooden bridge over which villagers cross to Keri village. This is followed by a visit to Keri village. This is a unique experience as the villagers have declined modern amenities such as electricity and running water.

Tours & Treks...

#### 4. Vazra Waterfall Trek

Distance: 70km (approx. 2hrs drive)  
Location: Cotigao Wildlife Sanctuary  
Grade of Trek: Moderate

Two continuous hours of steady walking from the village one way.

##### Trekking route

Trek begins with wading through the fields towards a slight incline on a loose gravel mud road bringing trekkers to the dense greenery at the periphery of the forest. We will cross three streams, one small and two larger ones. The trek continues on through natural riverside boulders followed by a climb to a gushing waterfall.

##### Attractions

A huge village with a temple in the village centre, a quaint village tea shop. This is also a chance to interact with tribal people of Goa and take a refreshing swim in the crystal clear waters of the Vazra Waterfall.
